

CAPTAIN'S ANNOUNCEMENTS
Tuesday 21st April 2009

Special Announcement
Club Catering

On behalf of the Club Board I have much pleasure in announcing to members the appointment of Wursthaus Kitchen as Catering Contractors to the Club.

A full time Wursthaus Kitchen chef will be based at our club to service members and guests. The chef will utilise the facilities in support of the Wursthaus Kitchen based at Salamanca, Battery Point.

Effective from Tuesday 28th April (Ladies Competition) Wursthaus Kitchen will be providing quality light lunches. Friday night dining will continue with a variety of theme nights planned.

Owner of the business, our member Mr Peter Trioli has an open memo below in support of the mutually beneficial arrangement.

Vern Schilling (Captain)

Dear Members,

The Wursthaus Kitchen is enormously proud to be chosen as the official caterer of The Royal Hobart Golf Club. The Wursthaus prides itself on being a premium manufacturer, supplier and retailer of Tasmanian-made fine foods.

The Wursthaus Kitchen will bring to the club a level of excellence expected by one of Hobart's most prestigious organisations.

As a member and regular Wednesday player I also hope to bring a golfer's point of view to the club's catering. The Wursthaus Kitchen will provide nourishing meals that are easily accessible to the player, and can be delivered in a way that will not hinder the pace of play and will only enhance the great golfing experience that we already enjoy.

A consistently high standard of catering service can only be delivered with the full support of the membership, so I encourage all members to support us and offer us constructive feedback through the "Catering Questionnaire" sheet that will be available at all times from the office.

Fellow members, with your support we will deliver a product of which you and your friends and invited guests can be proud.

Peter Trioli
Wursthaus Kitchen
