

# JUNIOR SCHOLARSHIPS 2011

ROYAL HOBART GOLF CLUB INC

Royal Hobart Golf Club is seeking to raise the profile of junior golf and as part of a program pursuing this objective, will offer four junior golfing scholarships in 2011.

Applications will be available to juniors from all affiliated Southern Tasmanian Golf Clubs. The successful awardees will be determined by a selection process which will include, but not necessarily be limited to, criteria such as golfing ability, commitment to golf, awareness and observance of golfing sportsmanship and integrity and general conduct. It is planned to have application forms available in August 2011, two trial rounds of golf are proposed in the September school holidays with awards to be announced at the end of September 2011.

It is anticipated that applicants will participate in Golf Tas Boys and Girls Championships on 12<sup>th</sup> September 2011 at Royal Hobart Golf Club.

Those juniors awarded the scholarships will receive free membership to RHGC for one year. An advanced coaching program will be available during the year at no cost and a selection of golf clothing together with other inducements is proposed.

It is further proposed that two of the awards will be to junior members of RHGC and two will be juniors from other Southern Tasmanian Golf Clubs. RHGC is conscious this may slightly deplete the junior ranks of a club/s temporarily, but it is suggested the financial, coaching and general golf promotional benefits will outweigh these considerations. To this end we seek the support of clubs and would appreciate comments and suggestions designed to improve the program.
